ROBOTICS WORKSHOP

Duration :6 hours

Timings:10am to 4pm

Rules for Workshop

Be on Time:

Punctuality is crucial for a seamless workshop experience. Being on time ensures that you don't miss any valuable information or hands-on activities.

Stay for the Whole Thing:

To qualify for certification, participants are required to attend the entire duration of the workshop. This ensures that you receive comprehensive training.

Be Safe:

Your safety is our priority. Adhere to all safety guidelines provided during the workshop to create a secure learning environment for everyone.

Be Nice:

Maintain a positive and professional attitude. Respect your fellow participants, instructors, and any guest speakers. A friendly atmosphere enhances the overall learning experience.

Work Together:

Robotics often involves teamwork. Embrace collaboration with your fellow participants. Share ideas, ask questions, and contribute to a supportive learning community.

Watch Your Stuff:

Keep a close eye on your personal belongings. The workshop venue can get busy, and it's important to ensure the safety of your possessions.

Give Feedback:

Your feedback is valuable to us. Share your thoughts, suggestions, and insights at the end of the workshop. This helps us improve and tailor future workshops to better meet participants' needs.
